## PATERSON, SONS, & CO.

WOLD request particular attention to the fact that, from the large quantities of Instruments they buy, and their very extended connection in all parts of Scotland, they are enabled to sell at prices much below those usually charged for thoroughly sound Instruments.

The practical experience and skill of the members of their Firm enable them to select, with the greatest possible accuracy, such Instruments as are best suited to modern requirements, and most likely to give players perfect satisfaction.

In addition to the new Stock now arriving, P., SONS, & CO. have always on hand slightly used Instruments, which Purchasers can have at very great reductions in price.

The Policyholders under this Branch have all the *advantages* of the *Proprietary and Mutual Systems combined*. The following are some of the features:—

1. The *Entire Profits* belong to the Policyholders.
2. The Bonus at the last two investigations was at the rate of £1 10s per cent. per annum, or £7 10s per cent. for each quinquennium.
3. The Sums Assured are not only secured by the funds in hand—amounting to nearly Three Millions sterling—but are further guaranteed by the Shareholders' unpaid capital of £2,700,000.
4. The Expenses of Management (including Agents' Commission) are limited to 10 per cent. on the premium income.
5. All restriction on Foreign Travel and Residence in certain cases is abolished.
6. Provision is made for the Non-Forfeiture of Policies under certain tables, even although Premiums are unpaid.

THE  
**SCOTTISH PROVIDENT**  
 INSTITUTION.

INSTITUTED 1837. | INCORPORATED 1848.

*HEAD OFFICE—No. 6 ST. ANDREW SQUARE, EDINBURGH.*

**T**HE SCOTTISH PROVIDENT is a Mutual Society—the only one in which the benefit of sharing in

*Whole Surplus* can be obtained for *Moderate Premiums*.

The Policy-holders are specially exempt from personal liability.

THE AIM of the founders was to give effect to the suggestions of experience, and, in particular, to give to the assured the advantage of the low *non-participating* premiums, hitherto charged only by a few of the Proprietary Companies, without any sacrifice of the profits. If these Premiums could be relied on to pay dividends to the proprietors, they must, in a Mutual Office, yield a Surplus for the assured themselves.

The PREMIUMS of all kinds received in the year were £454,413 3s 2d; or, deducting those paid for reassurances, £451,133 10s 1d. The total RECEIPTS of the year, including Interest, were £641,496 7s 3d.

The REALISED FUNDS, according to the Statement prepared for the Board of Trade (under deduction of claims not yet payable), amounted, at 31st December, 1883, to £4,736,292 19s 11d, showing an increase during the year of £333,383 12s 2d—the largest in any year of the Society.

The DISTINCTIVE FEATURES are—

*A greatly larger original Assurance—generally from £1200 to £1250 for the same yearly Premium as would elsewhere be charged (with whole Profits) for £1000 only—with the prospect to good lives (for whom exclusively the Surplus is reserved) of eventually receiving very considerable additions.*

The FINANCIAL POSITION of the Institution is of the highest.

The Accumulated Funds exceed £4,750,000—having increased in the last ten years by 2½ millions.

**Only two Offices in the Kingdom (both older) have as large a Fund.**

# SAVINGS BANK

OF THE  
COUNTY AND CITY OF PERTH,  
(Established 1838, and Certified under the Act of 1863),  
AND  
GOVERNMENT ANNUITY OFFICE.

---

THE OFFICE, TAY STREET, PERTH,

IS OPEN EVERY DAY, EXCEPT SATURDAY, FROM TEN TILL  
THREE.

ON SATURDAY FROM TEN TILL TWELVE NOON, AND FROM  
SIX TILL EIGHT EVENING.

*N.B.—No Money paid out on Saturday after Twelve noon.*

---

THIS BANK receives Deposits of One Shilling and upwards, but not more than £30 in one year, ending 20th November, or £150 in all, which may accumulate, at Compound Interest, till it reaches £200.

Certified Friendly Societies may lodge their whole Funds. The Deposits of other Societies and Charitable Institutions are limited to £100 in one year and £300 in all.

INTEREST, at a comparatively high rate, is added to the Principal once a year, at 20th November, irrespective of the Depositors' personal attendance at the Bank for that purpose, by which they derive the benefit of *Compound* Interest.

GOVERNMENT ANNUITIES, from £4 to £100 a-year, and the Insurance of Lives, may be contracted for through this Bank. Particulars may be had on application at the Office of the Bank.

The numerous advantages of the Institution will be seen from the Pass-Books, which are given to Depositors free of any charge.

The Funds of the Bank are securely invested, and the whole Accounts are periodically audited by a professional Auditor unconnected with the Bank.

The total amount of Funds invested 20th November, 1883, was £547,337 12s 4d.

The total number of individual Depositors at the same date was 19,631, embracing members of every section of the labouring and industrial classes.

The Bank opened in 1839 with 859 Accounts; now they nearly number 20,000.

The Capital in 1839 was only £3000; now it is upwards of £540,000.

The utility and success of this Bank are thus sufficiently apparent from the amount of Business which has been done since its establishment in 1838.
